

To whom it may concern

This letter serves to confirm that Electromode and Electromode Agency have worked with Johan Pieters and his team from Champ in the past, and would be privileged to work with him in the future. All aspects of the event we were involved with were handled professionally. The communication was always precise and friendly and I would be happy to recommend their services to anyone in the industry.

You are welcome to contact me should you need more information.

Kind regards
