Dear Sir / Madam

GRATITUDE : CENTRUM GUARDIAN PROJECT 2013

The above refers.

The Newcastle Municipality's Fire Service hereby wish to commend your institution for the support presented when our own Fire Fighter Zanele Sibisi was nominated on top eight (8) finalists by the Centrum Guardian Project.

One cannot afford not to reminiscence the unity displayed by your officials towards this event. Albeit we did not attain the first position, the impact made by people of your calibre which has placed Newcastle and the NKZN on a national map did not go unnoticed.

It is worth to mention that great prizes were won for the Newcastle Municipality's Fire Services which included the following :

- A five (5) day Confined space rescue course for Fire Fighter Sibisi
- Pump Operators Course for Newcastle Fire Station Crews
- Vehicle Extrication Course for Newcastle Fire Station Crews
- Proceeds from SMS votes

We hereby unequivocally commend all the officials who supported and hosted the flag of the Newcastle Municipality.

Yours faithfully

M. P. SITHOLE
